Alagappa Matriculation Higher Secondary School, Karaikudi.

Class X, 85.4% 2017-2018
Alagappa Matriculation Higher Secondary School, Karaikudi.

SKILLS

Languages: Java, Python
Frontend: HTML, CSS, JavaScript
Database: SQL

INTERNSHIP

Web Development Intern Dec '23 - Jan '24
Cognify Technologies
I gained hands-on experience in developing responsive webpages using HTML, CSS, and JavaScript. This practical training allowed me to sharpen my skills in frontend technologies.

PROJECTS

BANKING SYSTEM:

- A console-based application that provides functionalities such as account details, viewing balances, depositing, and withdrawing money. The technologies used in this project are Java, JDBC, and SQL.

ROCK PAPER SCISSORS GAME:

- Developed an interactive Rock, Paper, Scissors game using JavaScript, HTML, and CSS. Explored the game as a practical way to learn web development.

CERTIFICATIONS

- **NPTEL:** Programming In Java
- **HackerRank:** Java, Python(Basics), Problem Solving(Basics)
- **Infosys Springboard:** JavaScript
- **Skill Rack:** SQL
